All timeframes begin from the date the IBA is received at the Home Office.

If you do not achieve the requirements for the \$100 Bonus within the timeframe specified, but you do meet all the requirements for the \$200 Bonus within the timeframe AND have three cumulative FTOs and recruits, you can qualify for the \$200 Bonus.

- 1 Personal recruits.
- 2 Remember, you must be life licensed (temporary or permanent) before you can personally make life sales and earn commissions on those sales. Ask your upline or visit POL to learn about products or programs available in your state that do not require a license to market or to earn commissions.
- 3 Pre-licensing class is PFSU classroom, where available. Where it is not available, other approved Primerica pre-licensing methods may be substituted for this requirement, for example, UCanPass online. When other approved methods are used, you'll receive the bonus payment when the Home Office receives your pass notice or processed permanent license within 60 days. In West Virginia the FTO is the observation of an FNA presentation.
- 4 Pass Notice or processed permanent license must be received by the Home Office within 90 days.

For additional details, see the "Fast Start Bonus Program Supplement" on POL/Compensation/Bonuses.
